Both parties recognize that attainment of this educational objective is a joint responsibility of the board, administration, the teaching personnel, the parents of the students and the community at large.

Whereas, the parties have reached certain understandings which they desire to confirm in the agreement, it is agreed as follows:

ARTICLE II

The Board hereby recognizes the Rockwell City/Lytton Education Association, an affiliate of the Iowa State Education Association and National Education Association, as the certified exclusive and sole bargaining representative for all personnel as set forth in the PERB Amendment of Certification, Case No. 4974, issued by PERB on September 13, 1993, whether under contract or to be contracted by the Board of Education of the Rockwell City/Lytton Community School District. Such representation shall cover all personnel assigned to newly created professional positions unless the parties agree in advance that such positions are principally supervisory or administrative.

The unit described in the above certification is as follows:

1. Included: classroom teacher, special education teacher, guidance counselor, Title I teacher, librarian, remedial teacher
2. Excluded: superintendent, principals, bus drivers, secretaries, custodians, kitchen employees and all other excluded by law

2. The term "employee" as used in this Agreement, shall mean all full-time professional employees represented by this Association in the bargaining unit as defined and certified by PERB. By definition "full-time" means regularly contracted employees as opposed to substitutes or occasional employees and does not imply "full-time" equivalent as used in eight hours a day and five days a week.
3. The term "Association" as used in this Agreement shall mean the Rockwell City/Lytton Education Association.

ARTICLE III

All costs for arbitration shall be borne equally by the Board and the Association.

ARTICLE V

GRIEVANCE PROCEDURE

Section 1

A grievance shall mean only a complaint that there has been an alleged violation, misinterpretation, or misapplication of any of the specific provisions of the Agreement.

Section 2

- (a) A grievance may be filed by an individual teacher or the Association as a whole.
- (b) The failure of a Teacher (or in the event of an appeal to arbitration, the association) to act on any grievance within the prescribed time limits will act as a bar to any further appeal and an Administrator's failure to give a decision within the time limits shall permit the grievant to proceed to the next step. The time limits, however, may be extended by mutual agreement.
- (c) It is agreed that any investigation or other handling or processing of any grievance by the grieving teacher may be conducted during the school day as long as it is not during class time.

Section 3

(a) First Step:

An attempt shall be made to resolve any grievance in informal, verbal discussion between complainant and his/her Principal.

(b) Second Step:

If the grievance cannot be resolved informally, the aggrieved teacher shall file the grievance in writing, and at a mutually agreeable time, discuss the matter with the Principal. The written grievance shall state the nature of the grievance, shall note the specific clause or clauses of the grievance, and shall state the remedy requested. The filing of the formal, written grievance at the second step must be within ten (10) school days from the date of occurrence of the event giving rise to the grievance. The Principal shall make a decision on the grievance and communicate it in writing to the Teacher and the Superintendent within ten (10) school days after receipt of the grievance.

(c) Third Step:

In the event a grievance has not been satisfactorily resolved at the second step, the aggrieved Teacher shall file, within five (5) school days of the Principal's written decision at the second step, a copy of the grievance with the Superintendent. The arbitration proceeding shall be conducted by an Arbitrator to be selected by the two parties within seven (7) days after said notice is given. If the two parties fail to reach agreement on an Arbitrator within seven (7) days, PERB will be requested to provide a panel of seven (7) arbitrators. Each of the two parties will alternately strike one name at the time from the panel until one shall remain. The remaining name shall be the Arbitrator. The decision of the Arbitrator will be binding on both parties.

Expenses for the Arbitrator's services shall be borne equally by the School District and the Association.

The arbitrator, in his/her opinion, shall not amend, modify, nullify, ignore, or add to the provisions of the Agreement. His/Her authority shall be strictly limited to deciding only the issue or issues presented to him/her in writing by the School District and the Association and his/her decision must be based solely and only upon his/her interpretation of the meaning or application of the express relevant language of the Agreement.

When the Board of Education deems it necessary to reduce the number of employed staff members, the following criteria shall be made:

1. Employees with emergency or temporary certification shall be laid off first.
2. Fully certificated and properly endorsed employees with the least seniority shall be laid off secondly. Seniority is defined as "all years teaching in this school system not interrupted for more than two consecutive years due to staff reduction." This shall be accomplished at the Middle School and High School by curricular area. An employee is considered in a curricular area if that employee spends at least half their teaching assignment in that area. This shall be accomplished in the Elementary classrooms Pre-K - 4. If all of the above are equal, extra duty assignment shall be a criterion in the layoff process in the Middle School and High School.
3. In those situations where external funding is no longer available to continue programs which exist on external budget funding, i.e. Title I, Learning Disabilities or Special Education, those employees with correct certification shall have the right to Pre K- 4 employment based on their seniority within the Pre-K - 4 pool.
4. In those situations where seniority cannot be the sole criterion, the immediate supervisor's evaluation shall be considered.
5. No teacher may be prevented from securing other employment during the period he or she is laid off under this subsection.

C. Recall Rights:

Any fully certificated personnel terminated pursuant to this policy shall have recall rights to all staff positions for which he/she is certificated and qualified for two years from the effective date of his/her termination, and shall be recalled in inverse order of termination. The effective date of the termination is defined as the last school day of the current school year.

D. Notification:

All personnel who are to be terminated shall be notified in writing of the intent to recommend termination by April 30. The written notice shall contain reasons for this decision, as well as their order of recall for all positions for which they are qualified.

E. Benefits:

Any employee re-employed by exercising his/her recall rights shall be given full salary related benefits, and experience as if continuously employed by the school district.

If the employee has not been employed by another school district, they shall be given full salary, related benefit, and experience that they had accumulated prior to their termination.

F. Transfer/Reassignment Procedures:

Transfer shall be defined as movement of an employee from building to building. Reassignment shall be defined as movement of an employee from grade level to grade level or subject area to subject area.

1. Voluntary Transfer/Reassignment

All requests for voluntary transfer or reassignment for the following year shall be in writing in the form of a letter sent to the Superintendent or his/her designated representative. This letter should contain specific reasons for requesting the transfer or reassignment.

The consideration of transfer or reassignment of a teacher will be based on qualifications and certifications.

Written notice of transfer or reassignment will be given to the teacher concerned as soon as possible.

Requests for transfer or reassignment shall be kept for only one (1) school year. Requests must be made each year.

Notice of certified staff vacancies will be posted in the three (3) educational buildings during the school year. During the months of June, July, and August, the District shall provide notice of any certified staff vacancies to the Association and all teachers who have submitted a written request for such notification to the Superintendent.

2. Involuntary Transfer/Reassignment

Voluntary transfer or reassignment requests shall be considered prior to involuntary transfers or reassignments.

If an involuntary transfer or reassignment is necessary, the Board will take into consideration, so far as practical, the Teacher's training, experience, specific achievements, and service to the District. At a meeting between the employee involved, the Superintendent, and an association representative, if requested by the teacher, the employee shall be given specific written or verbal reason(s) for the involuntary transfer.

The Board of Education shall have the final decision in all cases of any transfer or reassignment.

 - c. The evaluator's written observation comments shall be reviewed at the post-conference. The evaluator shall sign and date the comments. The teacher shall sign as having been given the opportunity to review the comments and date the comment sheet. The teacher's signature
